

SPECIFICATIONS AND FEATURES AS DESCRIBED APPLY ONLY WHERE SHOWN ON PLANS.

- Builder reserves the right to substitute materials and/or suppliers of equal or greater quality at any time at their sole discretion. All plans and specifications are subject to modification from time to time at the sole discretion of the Builder. Exterior elevations will be similar to renderings shown, but not necessarily identical.
- Exterior elevation over garage doors, at front porches and number of steps from garage to house are subject to changes created by grade conditions and architectural control. Floor plans may be reversed, depending on location.

NOTES AND CONDITIONS

- Builder's samples subject to their timely availability from the Builder's normal supplier.
- Ceiling height may vary +/- due to normal site conditions, ceiling heights may vary in raised or sunken floor areas, stairways, cathedral/vaulted ceilings and bulkhead/dropped ceiling areas. Ceilings, bulkheads and walls may be modified to accommodate mechanical systems.
- Interior or exterior steps may vary at any entranceway due to grading
- Due to site grading conditions, optional garage man doors to house or side yard doors may be eliminated at the Builder's discretion if more than three risers are required. (The door will be substituted with a wall, with no credit issued to the purchaser).

- All plans, elevations and specifications are subject to modification from time to time by the Builder according to the Ontario Building Code, National Building Code and Architectural guidelines.
- The purchaser acknowledges and agrees that where adjoining rooms are finished in different floor materials, there may be a difference in floor elevations between the rooms, and furthermore the builder at its discretion may install thresholds as a method of finishing the transition between the two rooms.
- The Builder will not allow the Purchaser to complete any work and/or supply any material to finish the dwelling before closing date.
- House types and streetscapes are subject to final approval of the municipality or developer's architectural committee and final sitting and approval of the Builder's architect.
- The Builder shall be entitled to reverse the plan of the house being constructed.
- Purchasers may be required to reselect colours and / or materials from Builder's samples as a result of unavailability or discontinuation. Builder has the right to substitute materials of equal or better value.
- The Builder is not responsible for shade differences occurring from different dye lots on all materials such as ceramic tile or broadloom, roof shingles, hardwood floors, kitchen cabinets or brick. Colours and materials will be as close as possible to Builder's samples but not necessarily identical.
- Location and size of windows and doors may vary with lookout and walkout deck conditions. All dimensions are

approximate. Furnace and hot water tank locations may vary.

- The purchaser shall indemnify and save the Builder, its servants and agents harmless from all actions, causes of action, claims, and demands for, upon or by reasons of any relatives, workman or agents who have entered on the real property or any of the subdivision of which the real property forms a part of the with or without the authorization, express or implied, of the Builder.
- The purchaser acknowledges that finishing materials contained in any sales office or model home, including broadloom, furniture, cabinets, stained floor, staircase and railings, architectural ornamental plaster, acoustic tiled ceiling and luminous lenses, etc., may be for display purposes only and not be included in the dwelling unit purchased herein.
- The Purchaser acknowledges and agrees that variations from Builder's samples may occur in finishing materials, kitchen and vanity cabinets, floor and wall finishes due to normal production process. Hardwood flooring may react to normal fluctuation in humidity levels producing gaping or cupping, both considered to be within acceptable industry standards. Furnace and hot water tank locations are subject to change without notice.
- Prices, specifications, features and finishes are subject to change without notice E. & O. E. April 2016
